

Accessing resources from the new NHS Evidence site (after 11th May 2011)

The NHS Evidence website www.evidence.nhs.uk has changed, replacing the former Health Information Resources site at www.library.nhs.uk.

These Sign in and Register links are for NHS Evidence login, not Athens.

www.evidence.nhs.uk **NHS Evidence**

Evidence in Health and Social Care

Accessing resources from NHS Evidence www.evidence.nhs.uk Page 1 of 2

Library & Information Service, Strayside Education Centre, Harrogate District Hospital
Telephone (01423) 553104 / Extension 3104 / Email library.hospital@hdfn.nhs.uk

Various options are available from the Journals and Databases page.

Sign-in to Athens first, under the NHS Athens heading, to see “My Library”

The screenshot shows the 'Journals and databases' page on the NHS Evidence website. A callout box on the left highlights the 'NHS Athens' section, which includes the text: 'Many of the resources described on this page require an NHS Athens account. NHS Athens accounts are free for NHS staff and for many others supporting NHS patients. More about NHS Athens accounts. Sign-in to Athens. Register for Athens'. The main page content includes a 'Healthcare Databases Advanced Search' section, a 'MY HOME LIBRARY' section for Harrogate District Hospital Library & Information Service, and a 'MY LINKS' section with an 'ADD LINK' button.

Select “Access journals” (and log in to Athens on the journals page, if you have not already done so) to see details of print and electronic journals.

The screenshot shows the 'Journals' page on the NHS Evidence website. A callout box on the left highlights the 'Journals' section, which includes the text: 'Access to online journals and locally available journal subscriptions. NHS Athens required for some journals. Access journals'. The main page content includes a 'SEARCH MY JOURNALS' section with a search box containing 'arthr' and a 'SEARCH' button. Below the search box, it says 'You are viewing journals holdings available to users from Harrogate and District NHS Foundation Trust' and 'Journals starting with' followed by an alphabetical index.

www.library.nhs.uk/booksandjournals/journals/

For database searching including Medline, CiNAHL and PsychINFO, select the “Advanced search” option under Healthcare databases advanced search.

The screenshot shows the 'Healthcare Databases Advanced Search' page on the NHS Evidence website. A callout box on the left highlights the 'Healthcare databases advanced search' section, which includes the text: 'Advanced options for searching AMED, British Nursing Index, CINAHL, EMBASE, HMIC, MEDLINE, PsycINFO and Health Business Elite. NHS Athens required. A simple search is also available, offering quick options for searching the databases. Simple search. Advanced search'. The main page content includes a 'HEALTHCARE DATABASES ADVANCED SEARCH' section with a 'Select databases or click a database to search' prompt and a 'NEXT' button. Below this is a table with columns for 'Database' and 'Subject Coverage'.

Database	Subject Coverage
<input type="checkbox"/> AMED About @ 1985 to Present - Allied and Complementary Medicine is a unique database covering the fields of complementary or alternative medicine.	Allied health professions, complementary medicine
<input type="checkbox"/> BNI About @ 1985 to Present - British Nursing Index comprises over 250 of the most popular and important journal sources in the nursing and midwifery fields	Nursing, midwifery, health visitors
